Wages Higher Than During Any Roosevelt or Taft "Protected" Period

3,160,000 IDLE IN 1908.

Common Labor at 14 Cents an Hour Then Is Worth \$3.40 a Day Now.

wages to the highest level reached in the history of this or any other country, according to the cold, indisputable

the country are now in the full enjoyment of an increase of close to TOTAL FOR FOUR YEARS, \$17,-\$5,000,000,000 annually over any period of the "protected" tariff rule unlow as 14 cents an hour, and the Prosperity will reach \$17,600,000,000 or ges of "one-tenth of the workers \$3,000,000,000 more than the four years \$1,000 a year, the wages of one-half of the workers less than \$500 a year, or considerably under what has been nputed to be a living wage."

3,160,000 MEN AND WOMEN IDLE IN 1908. During one period of the "protect-ed" regime, under the Roosevelt Administration in 1908, there were 8,160,-600 idle men and women in the country. The year before was one of eneral pante. Conditions are different

Skilled labor is earning now from \$32.50 to \$65 a week.

In 1909 (Taft was President) 6,618,-000 toilers in factories received in wages \$3,427,000,000; in 1915 there were 7,800,000 employed in manufacturing plants receiving \$4,407,000,000, or an in crease of nearly \$1,000,000,000 over In 1916 there are over 20,000,000 men

and women at work for more than a living wage. The total wage increase is close to five billions of dollars more than the "protected" peried.

In 1914 and 1915 under Democratte laws union wages were 10 per cent higher than the average for six years under Roosevelt and Taft, 1907 to 1912. In 1916 union wages are from 30 to 50 per cent. higher than at any period of the Dingley and Payne Tariff laws. Common labor now receives \$3.40 a day, as compared with 16 cents an hour during the days of "protection"

New England benefited by a poper cent. wage increase.
Bricklayers for du Pont Company are getting \$7.50 a day.
Four years ago bricklayers were that did not protect. In 1912, the last year of Taft's ad-

#### TORPEDOES BATTLESHIP

Extent of Damage, Says Admiralty.

LONDON, Nov. 6,-A British submarine operating in the North Sea reports that she fired torpedoes at a German battleship of the dreadnought type yesterday, making a hit.
The amount of lamage inflicted was not reported, the Admiralty an-

this condition. The Democrats say the confidence in the re-election of Wilson brought into the betting market such large sums of money that the odds were legitimately forced to their natural level. Wall Street offers another solution of the drop of

three points. The Wall Street explanation is that the professional speculators believe everything on the list from 5 to 20

even though they lose the Wilson bets the rise in the market will win them out, and if Wilson is elected they probable loss on a slump resulting from Democratic success. Wall Street, however, does not look

for any great market disturbance if Wilson is elected. WILSON MAY BE FAVORITE IN TO-NIGHT'S BETTING.

The outstanding fact is that Wilson goes to the polls an even money choice in the Wall Street betting, and he may be the favorite in the Waldorf-Astoria and uptown bro-

kerage office betting to-night. If there was any advantage to the gation of the high cost of living" was Republican Party in the news spread received here to-day by Hinton G. broadcast through the country Satur-Clabaugh, head of the local bureau of day that Hughes was a 10 to 7 favorinvestigation of the Department of ite it was effectually discounted by

> Immense sums were bet on the election in the last hour of trading, some Stock Exchange firms devoting their whole staffs to handling bets on the

> About \$50,000 was bet in the first tightened up. Wilson Commissioners offered 8 to 10 at noon and this brought out some Hughes money.

A well known commissioner appeared on the curb in the early afternoon literally loaded with bright new bills of large denominations. He offered to bet \$800 to \$1,000, \$8,000 to \$10,000 or \$80,000 to \$100,000 on Wilson and couldn't get a peep. It was reported he represented Edward L. Doheny, the Mexican oil operator. who is said to stand to win about \$500,000 if Wilson is elected or lose \$300,000 if Wilson is defeated.

The market is glutted with Wilson money that has come from the West seeking a market offering odds of 10
